Laurie è una mia cara, speciale amica, purtroppo un male improvviso quanto aggressivo la sta portando via... Dedico a Lei questo, invitandovi a celebrare ogni giorno , come se fosse l'ultimo, tutto ciò che la vita ci ha riservato.. Gli affetti, l'amore, le cose più semplici e care...
CARPE DIEM!!!

Laurie is a very special friend for me... and now she is fighting against an extremely aggressive cancer.. This is for you, my dear and also for all the others stitchers friends that remember to celebrate the life, the friendships , the love and all the simply little things every day, like if this is your last one... **CARPE DIEM!**
