I've create this chart to celebrate Fairies! Saturday June 24th 2006 is Fairy Day! The official holiday for fairy collectors, believers, artisans and the young at heart. Celebrated around the world by those who love all things fairy.

Ho creato questo schema per celebrare le Fate! Sabato, 24 Giugno 2006 è il giorno e la notte delle Fate! Come ricorda Shakespeare, nel suo "sogno di una notte di Mezza estate" che cade appunto il 24 giugno, il velo fra mondo mano e fatato si dissolve e per chi crede, può trovare e vedere le Fate....
