Domus Aurea

Gli antichi Latini e Greci , a cui dobbiamo le basi della nostra cultura e ed il culto del "Bello" ci hanno lasciato testimonianze di meravigliose case abbellite con fregi e decori ... Da questa idea nasce la collezione "Domus Aurea".... Una collezione di ramage da interpretare a vostro piacimento, sul filo del colore e della Vostra fantasia ...Una sfida aperta con voi stesse, quindi! Questi angoli preziosi , maestosi, e raffinatissimi aspettano solo di essere ricamati ,ma soprattutto inventati... Ne possono uscire meravigliose tovaglie, raffinati americanini, plaid elegantissimi, cuscini preziosi, vassoi e quanto altro la vostra fantasia vi suggerirà , stuzzicata da questi disegni particolarissimi.... Io vi suggerisco solo una tabella di colori che potreste usare per il vostro ricamo, a voi lascio l'interpretazione di un sogno a punto croce!

The ancient Latin and Greek, to whom we owe the foundations of our culture and the cult of beauty, left us traces of extraordinarily beautiful houses adorned with ornaments and decorations. The collection "Domus Aurea" takes inspiration from this idea, a series of particularl patterns to stitch according to your own taste following the line of colour or your fantasy. An open challenge with yourselves! These precious refined magificent corners and borders only wait for you to be stitched or reinterpreted. The result could be wonderful tablecloths, refined place mats, elegant blankets, precious cushions, trays and everything else suggested by your creativity, stirred by these peculiar patterns. I simply suggest the corner designs and a key for each range of colour you might use for your project. The creation of a cross stitch dream is up to you!
